

BARAPUKURIA COAL MINING COMPANY LIMITED.
(A COMPANY OF PETROBANGLA)
CHOWHATI, PARBATTIPUR, DINAJPUR

Subject: Information About "Feasibility study for Development of Dighipara Coal Field At Dighipara, Dinajpur, Bangladesh".

01	Project title	: "Feasibility study for Development of Dighipara Coal Field at Dighipara, Dinajpur, Bangladesh".
02	Estimated Cost	: As approved SSP 17,988.20 (12,370.00) lakh taka
03	Implementation Period	: 1 st January, 2017 to 30 th June, 2019 (30 month).
04	Date of SSP Approval	: SSP was approved on 2 nd , February, 2017 from Energy and Mineral Resources Division.
05	Project Director	: Khan Md. Zafor Sadiq, Deputy General Manager, Barapukuria Coal Mining Company Limited.
06	Contract Signed	: MIBRAG Consulting International GmbH, Germany, FUGRO Consult GmbH, Germany (Present FUGRO Germany Land GmbH) and Runge Pincock Minarco Limited, Australia.
07	Physical Work Start	: 1 st Jun 2017.
08	Contract period	: 31 st August 2019 (27 Month)
09	Contract Value	: 16,745,68 (11,774.84) Lakh taka
10	Target of Project	: <ul style="list-style-type: none"> ▶ The main objective of the study is to conduct exploration at Dighipara coal basin to confirm the deposit 865 million metric tons of coal within around 24 sq. km area as identified by BAPEX using 2D high resolution seismic survey. ▶ To carry out a detailed feasibility study to develop a mine having production capacity 3 million tons of coal per annum within the central part of the deposit (within 6 sq. km). ▶ To determine the Coal reserve, Mining method, Production rate per annum at the Proposed mining area. ▶ The Mining Plan shall be prepared to Extract the mineable reserves, Mining Method, Annual Production Target etc. ▶ Determine about Hydro geological Conditions, Quantity of Minable deposit, Mine Life etc. ▶ To Preparation A Rehabilitation & Resettlement action Plan, Study for EIA and prepare an EMP. ▶ Financial study for the future project. ▶ To prepare a Tender document to employ a construction company for develop a Coal Mine.
11	Main Activities of the Project	: <ul style="list-style-type: none"> ▶ Drilling 60Nos bore holes (out of that 10 will be hydro geological). ▶ Undertake 3-D seismic survey covering the basin area 6.00 sq.km in the central part of the basin. ▶ To Complete the Topographic survey. ▶ Prepare a suitable mine plan. ▶ To Complete the EIA, EMP, RAP, SIA report. ▶ To prepare a Tender document to employ a construction company for develop a Mine.
